RESPONSE TO OFFICE ACTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450**

Sir:

Applicant submits this paper in response to the Examiner's Office Action mailed July 8, 2005 (the "Office Action").

In the Office Action, the Examiner stated that “[t]he proposed reply filed on 6/6/2005 has not been entered because it was unsigned. The office only received pages 1-11 of the reply. The document appears to be incomplete and is not signed.” The Examiner stated further that “[s]ince the above mentioned reply appears to be *bona fide*, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.”

Responsive to the Office Action, Applicant respectfully notes that the postcard stamped by the USPTO on June 6, 2005 (a true and correct copy of which is attached hereto as Exhibit 'A') shows that the "Amendment and Response" that was submitted by Applicant to the USPTO

on June 6, 2005 included "22 pages." As to such postcard, Applicant further notes that "A postcard receipt which itemizes and properly identifies the items which are being filed serves as *prima facie* evidence of receipt in the USPTO of all the items listed thereon on the date stamped thereon by the USPTO." See MPEP § 503. Therefore, it appears that pages 12-22 were received by the USPTO on June 6, 2005, along with pages 1-11, but were subsequently misplaced at the USPTO.

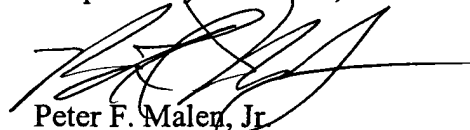

In connection with the requirement made by the Examiner in the Office Action, Applicant has submitted herewith, as Exhibit 'B,' a true and correct copy of the 22 page "Amendment and Response" originally submitted by the Applicant to the USPTO on June 6, 2005. Additionally, Applicant has submitted herewith, as Exhibit 'C,' true and correct copies of the "Transmittal Letter" "Credit Card Payment Form," and "Certificate of Mailing by 'Express Mail'" that were submitted by Applicant to the USPTO along with the original "Amendment and Response" on June 6, 2005.

In light of the foregoing, and further in view of Exhibits 'A,' 'B,' and 'C' to this paper, Applicant submits that entry of the Amendment and Response filed in this case on June 6, 2005 (Exhibit 'B') is proper, and Applicant further respectfully requests such entry without further delay.

In the event that the Examiner finds any remaining impediment to entry of the "Amendment and Response" filed June 6, 2005 that could be clarified in a telephonic interview, the Examiner is respectfully requested to initiate the same with the undersigned attorney.

Dated this 18TH day of July, 2005.

Respectfully submitted,
